## About Indian Academicians and Researchers Association (IARA)

Indian Academicians and Researchers Association (IARA) is an educational and scientific research organization of Academicians, Research Scholars and practitioners responsible for sharing information about research activities, projects and conferences to its members. IARA offers an excellent opportunity for networking with other members and exchange knowledge. It also takes immense pride in its services offerings to undergraduate and graduate students. Students are provided with opportunities to develop and clarify their research interests and skills as part of their preparation to become faculty members and researchers. Visit our website [www.iaraedu.com](http://www.iaraedu.com) for more details.

## About Institute for Scientific Research and Development (ISRD)

The Institute for Scientific Research and Development was established in 2012 in Ulcinj. Initially, a group of intellectuals and scholars from Ulcinj started the establishment with the support of Novi Sad scientists. Legally known as a Judicial Person, it has been established as a joint-stock company that is open to all researchers, especially from Ulcinj, creating the premise for faster growth and development of its municipality, as well as for the region. Many young people from Ulcinj will be able to improve in their community and with less cost than moving to larger cities of their country or beyond.

The main goal of the Institute is to strengthen training and scientific research in social fields. The Institute is mainly follows business economic research (business enterprises) and is focused on some main areas such as:

- The economic field
- The area of law
- Mathematical, statistical and information sciences
- Social sciences
- Areas of training and retraining of staff for the economy
- Fields of publishing activity and librarianship

## About The Conference

The conference aims to provide a forum for the exchange of ideas on the Global Issues in Multidisciplinary Academic Research during recent times. The conference aims to provide a common platform for researchers from the Academia as well as the industry to discuss and present their research work and also will try to provide an opportunity for collaboration among them.
